English Critics are advised to secure from the Committee on Accreditation of English Critic a copy of the corrected Guide in Manuscript Writing for English Critics.

Please be reminded too that as per Board Resolution No. 17, series 2012, dated March 8, 2012, only accredited English Critics can edit students' manuscripts (thesis, student portfolio, narrative report, project design, and case study among others). Likewise, payments should be made at the cashier; the rate is P20/page.

Further, please be guided that as per our Quality Policy, the University Standard for Font and Paper Size for non-legal documents is Arial Font 11 and A4 respectively. But, for the time being that our Printing Services Unit has a number of stocks for short bond paper, we still accept Times New Roman Font 12 for short bond paper until the end of this 2nd Semester, AY 2018-2019 only.

For your compliance.

Thank you.
